Day: Thursday

Guidelines for Books, Notebooks & Class Work Schedule

Dear Parents,

This is to kindly inform you that please do not send new notebooks every day to school. Kindly send only the notebooks marked with the following symbols:

- English notebook – Star symbol
- Hindi notebook – Red dot
- Maths notebook – Black dot

Please send only these marked notebooks to school. Once these notebooks are completed, the class teacher will inform you to send new ones.

It is becoming difficult to identify your child's books and notebooks because many of them do not have names written on them, and children are also unable to recognize their own books or handwriting. Therefore, kindly write your child's name clearly on all books and notebooks.

Please ensure that all notebooks are properly covered, and a name slip/chit should be pasted on each notebook with the child's name clearly mentioned.

Work Schedule:

- Monday, Wednesday & Friday: Hindi and English book work
- Tuesday, Thursday & Saturday: All in One workbook and Maths work

Notebook Work Schedule:

- Monday – Maths
- Tuesday – Hindi
- Wednesday – English
- Thursday – Maths
- Friday – Hindi
- Saturday – English

Please send the Poem Book on the day instructed by the class teacher.

Also, parents who have not purchased the Almanac yet are requested to purchase it as soon as possible.

For your convenience, you may take a printout of this notice and paste it in your child's almanac for easy reference.

Your cooperation is appreciated.

Regards,

Dr. Barkha Gupta
Principal
